The Southern Indiana Soccer camps are a great place for soccer players of all levels and ages. We will have a very experienced staff that has a lot of enthusiasm in coaching the game of soccer. Every camp will be well organized and have a very good coach to player ratio. We will always make sure each player is challenged, but at the same time make sure they have a lot of fun! Each camp will be staffed by the USI Coaching Staff, current college players and past college players. This Camp and its Staff take great pride in giving back to the "Soccer" community. The main philosophy for ALL of our camps is to make each player better and to make sure each player has a great soccer experience!
